Dated this the 9th day of January, 2007.

JUDGMENT

Even though the point raised by the petitioner that the person who trained the first prize winning team in the Band competition was a colleague of the judges is a prima facie impressive argument, Government Pleader reported that petitioner has secured 30 marks less than the first prize winner and there are several other teams who secured higher marks than the petitioner's team who have no complaint. In the circumstances, W.P. fails and is dismissed.
